## DEDICATION

I dedicate this book to The Lord Jesus Himself! Jesus, I really do want to pour out my life on You! You are the lover of my soul— how I long for your courts and to enter into Your presence. I am a ruined man before you met me and first loved me! Thank you, Jesus!

Philip Cephas

## ACKNOWLEDGMENT

Over the years, I have had the high privilege of being impacted by some of the greatest teachers and generals of prayer. Their deposits into my life have been enormous and irreplaceable. I thank The Lord for all those sacrificial servants who have helped to hold up my arms as we continue with endurance to run the race that is set before us. I want to acknowledge my friends and brothers, who we have been labouring together for the kingdom in Zoe rain ministries and spirit barracks intercessors. I also want to thank the pioneers who have gone before us, where would we be without them? Books and sermons have been my mentors. Thanks to all those who laid the foundation that we get to build on.

# PROPHETIC SPEAKINGS, INSIGHT & DECLARATIONS

*We must be able to embrace and decipher the prophetic speaking of God as revealed to us in seasons and times if we must accurately function with God.*

## Prophetic Speaking

**W**e are called, as prophetic people to be apostolic in function. We must be able to embrace and decipher the prophetic speaking of God as revealed to us in seasons and times if we must accurately function with God. We can't despise the speaking of God because; the prophetic revelations and encounters may be inspirational to the body of Christ. Among the many prophetic encounters and revelations as revealed to me by God; there are a few worthy of note. As many people are captured within the speaking of God for the season and beyond. Bearing in mind that the prophetic is still for edification, exhortation, and comfort in God.

.....Most times, What God says to one He says to all.

## **The Vision of A New Breed**

I saw in a vision the birthing of a set of people coming out from human beings. These people are like beasts and a mighty Spirit was coming forth from them; to take charge of the territories of the earth and its system.

*These beasts are so powerful because they come in their full power. Their center of Excellency comes from two kings of whom they take orders on how they should work and influence the earth. They don't break their ranks and they had so much influence that they can't be resisted.*

When I saw them, I was perplexed. Then The Spirit of The Lord spoke unto me saying, *"We are in Bi-times, a time were the wine and the wine presser ought to be more careful, as the influences that seek to penetrate the earth realm is seeking partnership to gain influence and recognition as spiritual mixtures and perversion is becoming more eminent"*.

*The beast is becoming more subtle than ever and longing for the souls of righteous men and women.*

*The season of men has come to an end and now is the time for gods and spirits to invade and infiltrate the earth. The transformation of men and women in light and darkness is coming to completion; as conformation is finding establishment now. Many are unaware of The Spirit's influences upon them, but the conformation is evident in their lives as the fruits are speaking and it is undeniable.*

*The Lord demands again for a pure breed of sons and representatives upon the face of the earth. The era of humans without an influence is coming to an end, as no man on the earth will ever be neutral without an influence upon him. All people will be transformed into a different kind of god. Having a root connected to it distinguishing functional throne.*

The spirit will be of two kinds. I saw a spirit coming out of the workers of iniquities and *the spirit gave them abilities to do more evil and propagate darkness advancing the frontier of its kingdom subtly and the other spirit came out of the faithful witness of Jesus Christ and these*

*ones have the ability to do the will of God without limitations. These are the men that are from the beginning weak and feeble, but now strong and powerful as a result of the empowerment and influence of The Spirit upon them.*

*Upon this generation; a new breed is a birthing forth of another spirit of Samuel, its prophetic, its kingship, and its priesthood that will find expression on the earth to manifest the Christ.*

The Lord is calling upon His faithful witnesses to watch out for satanic and demonic infiltration as well as spiritual encroachment. This will result in perversion and mixture if allowed partnership.

***We will hold fast our confession of Christ until the kingdom of this world becomes the kingdom of our God and the authority of His Christ reign in us and through us.***

***We will give ourselves no rest until Yeshua comes to take us home.***

This was one of the visions and the burdens of The Lord communicated to me on 01/03/2013 to the church and its witnesses.

Let him that has an ear, hear what The Spirit has spoken. I had to include it now because I perceived the time of its fulfillment is at hand and it is closer than I thought it to be.

*Amen and amen.*

## **Rising Army of The Lord**

*Thus says The Spirit of The Living God, the scepter will not depart from your boundaries of habitations, the ordination and ordinance of The Lord will not lie over your life for the vision will not lie and it shall come to pass. Blessed is she that believe for there shall be a performance unto her.*

*The Lord God is calling forth again an army He can use to salvage a generation. The hope of The Lord is again upon a people weak and feeble.*

*I see the emergence of a new breed with a new heart, spirit, and mind. This army will not be broken and they will not be defeated. They will conquer even amid their enemies.*

*The power to subdue kings has been given to them. The authority to reorder the foundations of the earth as well as its ordinances has been given to them.*

*These ones shall come with a different template and a pearl of different divine wisdom for execution.*

*They will infiltrate the earth system again, occupy the spheres of influences and change the new world order set by men.*

*These are mountain movers, kingdom shakers, and territorial princes and priestesses of God.*

*God has loved them far beyond now and their curiosity has been drawn towards Him. Their hunger and thirst, He will satisfy says The Lord.*

*They shall be part of the arrowhead leading a generation to The Lord. They shall be in charge of helping, counseling, and directing many in deep darkness and hidden places of confusion onto the light.*

*God will help them so that they can help others advance in Him.*

*His love for them will be evident towards them and others. They will feel it and know it so that they can reveal it to others*

*So much awaits them from God and if they will remain and abide in Him, He will take them further and deeper in Himself.*

*The wisdom of the past and old patterns of their thinking will be rolled away. God will give them a new heart, spirit, and mind. It will be sanctified and purified in Him and through Him*

*A generation and a people called unto The Lord again shall they lead.*

*Their longing and hunger will be satisfied says The Lord.*

*“Forget the things of the past, behold they are forgotten,” says The Lord.*

*“Open again the doors I have opened for you,” says The Lord of host,*

*“for within the door beyond I will encounter you and I will cause you to see my glory and beauty anew. I, your Lord, and God will be with you now and forevermore.”*

*The Lord says, “I will yet again come to your rescue. I will lift you up from the pit wherein there is no water and I will cause a renewal and a refreshing within your spirit again. I will awake again, passion, zeal, and intimacy that has been lost,” says the Lord. So that, the awakening reveals a new dimension of zeal and intimacy again. “Things shall no longer be as usual says The Lord, a passion contagious onto others and a zeal communicable onto others shall come upon you,” says The Lord God of your salvation.*

*Amen and amen.*

## **The Return of The Lord as A Merchant**

*I see The Lord coming again like a merchant and The Lord says, “He is bringing comfort in the heart of people, consolation into the heart of the people. He is binding again wounds and broken hearts and broken soul and spirit. The LORD says He is going to bring many into the wealthy place as divine relationships are going to be initiated. Favour like never before shall come in the years ahead to the faithful. He is going to give academic excellence to many, ideas, and wisdom. There is coming like no other before a year of establishment and fulfilment of the promises of God, there is going to be new appointments to many and there is going to be new jobs again. There is going to be provision again by the power of The Lord.*

*The LORD says, as He comes, He will clothe us again with a new presence and a new glory so that within the years ahead, we will begin to function under a new auction of The Spirit. Our discernment and abilities in Him will be sharpened. We will hear and see again. The LORD moves upon the earth in-between the seraphim and the cherubim. His mysteries be unsealed and His glory is revealed. Things which were being sealed will be unsealed says The LORD. Scrolls written in times past are being elongated and in their elongation access is given unto many to begin to read, so that the writings within can be fulfilled. The books stored upon which faithful witnesses can be remembered are being opened so that those that have fulfilled their measures will be pushed into a new plane and phase of partnership. Many shall begin to sustain encounters and bear fruits again. I perceive others entering a time of pilgrimage. The LORD demands that they enter and undertake the season of pilgrimage in Him again to find a city that has no foundation where the builder and maker is God Himself. The LORD will restore to many intimacy, passion, and zeal that has been lost and to those who in time past were cheated will be restored. There is going to be supernatural supply and abundance. The LORD says, “I am raising unto you a helper that you’ve long waited for wondering, when shall my help come? For I will come unto you as*

*Ebenezer. For I have come unto you as a helper in times past and I will come to help you again says The LORD.*

*To many under the bondage of an atmosphere that has been choking you, The LORD will separate you from among such people that you will not die in silence. I will breakthrough through your addiction that you've been struggling with. The Lord will move through you and as He is moving, He will be touching people's hearts and spirit. He will be increasing their compassion. Many that have found it hard to love people, The Lord will give them a heart to love. His love will be shared abroad in their heart by His Spirit so that they can begin to love people again. "I am elevating you and opening for you a door so that you can come in and begin to function. I will grant you access to revelatory gifts, the word of knowledge, and the word of wisdom. The secret into the intention of the heart of many is going to be revealed unto you. You have spoken and you've not been believed and nobody hears you. I am going to give you a voice that no man will resist, you will speak again and you shall be heard so that the accuracy and the precision of The LORD shall become clearer to you says," The Spirit of The LORD.*

*The vision that has been blurred will be unsealed. The veil will be taken away and access will be granted unto you. The LORD will connect you to people that have influences upon the face of the earth so that you will be recognized. Kings and princes shall come seeking your counsel and wisdom asking, "How do you do it?" A voice that will answer your accuser will be given to you, and a voice to your adversaries. The enemy shall no longer find you because The Spirit of The LORD will take you to a place in His name that creates security. The LORD will be establishing fortresses around us. Fortresses and defense system that the war will no longer engulf or enslave us again. We should be able to defend ourselves during warfare by the security of The LORD and in the defense system are the armory of The LORD which will answer the enemy in times of demand says The LORD.*

*You shall no longer be asked again, where is your God? For your, God*

shall answer unto them according to the thundering of The Spirit. The LORD will be shaking again terribly the foundations of the political system upon Nigeria and upon Ghana as many prominent people shall pass away and in their passing away shall come the distribution of the power and wealth upon which they hold siege a stronghold. The LORD will grant unto us access into the hidden treasures, hidden riches of the gentile nations, that they shall come to you bearing precious gifts and precious stones that they might demand of our wisdom again. We shall no longer be hindered, resisted, rejected, and detached says The LORD. The LORD demands again from us, purity, holiness, justice, and truth upon which we shall look into the realities in light. You shall no longer be confused because direction, insight, and His power shall guide you. I see people being anointed again afresh and anew.

Many will be crowned with the power of The Spirit, and carry again a new dimension of glory. The promptings of The LORD, the stirring of The LORD, the peace of The LORD, the guiding of The LORD, the intuition of The LORD and the voice of The LORD, all these shall be sharpened again so that you can be upon the frontiers in the advancement of the things of the gospel says The Spirit of The LORD. No longer say that you don't have The Word for The LORD says that He will put again His Word upon your lips and you shall speak unto kings with boldness and with confidence and He shall confirm His words on your lips. It shall come to pass because He has established it so. For the vision and that which He has spoken to you, He will not lie, it shall come to pass. He said, blessed is he that chose to believe for there shall be a performance unto him.

I pray that by the supreme power of the super-imposition of the position of the throne of Heaven, Jesus being the administrator that we all bear influence and relevance within the system of your court and numbering. I pray, O God that among each one shall arise a horn, among each one shall arise a lampstand that shall bear the ordination of The LORD so that the speaking of The LORD and the utterances and the unction of The LORD shall begin to speak and that the probing of the mandate of The

*LORD will begin to find expression in our lives. To the weary, I will create unto you paths where there is no pathway.*

*I will create unto you ways where there is no way. The living waters that flow from the river of life shall begin to harken unto your ordination to birth again life from the throne and that the heavenly systems begin to harken unto your cry, the element of nature shall position itself to fulfil the word of The LORD over your life and that the speaking of The LORD shall be unto you for an advantage. Those that rise and contend with you, The LORD shall arise for you in judgment and destroy them. I pray, O God and FATHER, may these ones belong to you, may these ones be connected unto you through your son Jesus.*

*The LORD bless you*

*The LORD keep you*

*The LORD see you through.*

*Amen and amen.*

## **Summoning and Convergence (Court of Witness)**

*In a dream, I saw a meeting and a summoning, and in the convergence were men of renowned and great leaders scattered abroad. They were discussing issues regarding the kingdom as well as strategies for its advancement. The witness of the spirits of just men made perfect was presence and I saw many people among the ones watching and observing.*

*Some I recognize their faces while others I don't until recently. I was part of a delegation of them seated by the other side. I saw a few people observing and scribing the minute of the meeting.*

*Something like a scroll was given to them that scribed to record and document the transactions that proceeded. I perceived that many were given the guardianship of the mystery and secret of things yet unfold. God has summoned many to be part of His elite that He will equip and use.*

*I saw a sequence and series of scenery like a program that is installing and being lunched within their spirit. The Spirit of The Lord says, "It is for this that I have separated them and consecrated them. It is for that function that I encountered them. The Lord says He has seen the hunger in their hearts and the desire and He will cause and provoke a performance speedily for them.*

*Also, I perceived The Spirit of The Lord speaking to them individually, call no more yourself small for I shall yet again do mighty and wondrous things with you. I will separate you from among many, and cause your difference to be known for I will elevate you and put you upon a mountain top to create an ingathering of kings and princes. I perceive The Lord says, he will cause a new orientation within them and cause a new shifting in them to align to the current torrent for an overflow. The Lord says He will bring them to the realm of abundance so that they will bless others for he will train and equip them to be disciples of nations. For I am forming and resurrecting the realm of the daring faith within them says*

*The Lord. They will be caused to function in the supernatural, but they will be graced to pay the price for that realm of glory. A new circumcision of blood will be initiated with them and they will be initiated into another order of the princes of God.*

*God has found them willing to be numbered among His own that will bear influence within and without the earth regions,*

*A new layer of functioning will be opened onto them and a new gate will be opened. There will be a lifting of the ancient gates and the breaking forth of the new seal and scrolls.*

*The Lord will demand that they lay down the former level and contend for the new. There will be a new awakening and a fresh release upon them of revelation and interpretation. A new garment of glory will be given to them in their encounters with the beloved and they will be caused to eat the bread of the immortals and will be given the privilege to be illuminated by a divine Star that will lighten and illuminate their path.*

*The Lord will open to them a new gate of influence, but this will begin in the next circles of months in the timeline of prophetic speaking and ordination that will happen in diverse encounters. The Lord will take away the limitation and the limiting walls and the spirit, but will also cause divine relationships that will open them up to a new gate of influence. I also see The Lord taking away men and women from some of their lives and bringing men and women to them. It will happen like pruning and separation but they must embrace this for it to happen.*

*They will be given the privilege to write and edit a scroll; title with their names.*

*I urge you to continue in the order of God and create a desire and positioning of heart. I tell you a new encounter awaits you and a new visitation that will cause a habitation in your life. Watch out for the circle of months in the prophetic timeline. Each month comes with its*

*own dealings and disciplines that we must keep up with, and until that is fulfilled, there can't be promotions for us in the spirit. We can't focus on the little delays and dryness it is fasting for a new refreshing. The Lord urges us to go deeper and higher because there await for us the foresight of the eagle, the strength of the ox, the boldness of the lion, and the humanity of the man says The Spirit of the living God.*

*This new set of people will go through certain betrayals from friends and separation from others, as to strive and envy and certain misunderstanding will come in like a dark brown cloud.*

*Things will not be as usual again as things are changing and taking a new shape and sphere in operations for them. Although they are going to be bruised and wounded if not broken, it is permitted so that they can be stretched and strengthen by God again. For some, many things will fall away from them with so much speed. Things like scales will be falling away from them so that they can be renewed and reborn. They will undergo pruning and renewing in order to shave off old skins and patterns from within.*

*The Lord will also undergo within them a heart renewal and circumcision. I perceive negative words spoken to and against them that The Lord will be shielding them from in the coming days.*

*I saw like a wild storm rising that The Lord will calm down for these sets of people. They shall be comforted after a session and half the time of the season. After the drought shall come rain as the morning tears will be wiped away by the evening dew and the midnight shower. A separation and brokenness in relationships will push them into a new level of mentorship and learning to get equipped for the journey ahead. Their hearts will be enlarged and given the stamina to survive the odds and the dark nights ahead.*

*Certain woes are coming like swords and arrows into their soul from The Lord to counsel, to direct, guide, and chastise, to lord and to comfort them.*

*The Lord shall yet again cover them in His love unending and equip them for the warfares ahead.*

*Warnings and instructions shall be given to them against the evil odds that come against rising stars that they may not rise further.*

*There is coming upon them freshness and newness in ministry, ministrations, and the revelations of God beyond the norm.*

*Ye a realm beyond prophecy to govern the spheres and realms of operations beyond them will be unlocked.*

*The Lord again shall send them messengers with his instructions that shall guide them in discernment and humility as The Lord seeks to influence them again.*

*Vacuums upon vacuums are being filled and void upon void will be covered by God. The visitation of The Lord will come again as He seeks to encounter them anew. A new doorway of encounters beyond the veil will be opened unto them for another season. They shall take upon themselves and lay hold of this instructions anew. He says, "Create for me again a room within you that I may fill it for your hunger and thirst will I satisfy. Do not be confused do not be deceived for I will lead you and direct you. Let the storm rise, let the earthquake for my peace, and love shall be your portion. Remain in my love, remain in my peace, rejoice in my holiness and be glad in the beauty of my strength for I The LORD your God shall be to you a shield and a fortress for covering and for safety says The LORD of host.*

*Amen and amen.*

## **The Visitation of Jesus and The Vision of The End**

On the *24th July, 2020* at exactly *2:57 am*.

*I saw Jesus, as I saw and heard Him. The times of the heavens and the earth are near*

*I saw like the clouds turn red and things begin to changes suddenly in their colours and configurations, a mighty wind blew all over the earth and people began to leave the earth speedily.*

*I was suddenly changed and transformed as I beheld in amazement. I was taken like in a big whirlwind flight. As I ascended, I was saying thank you so much for loving me Lord Jesus, thank you for loving me Lord Jesus, thank you so much for loving me Lord Jesus till I was taken into His presence and held in His glorious hands*

*I was taken to heaven and floated to the very presence of Jesus. I saw him in His light and radiance as I ended in His hands with light and white clothing covered in glory. So many people were following also as others were rejoicing and praising God. The love we felt was unending. Before that, I was shown people living in sin and iniquity, so much evil and killings that I can't fully describe.*

*It felt like a big plane came from heaven to carry everyone by divine command, all the righteous couldn't resist the summoning. It felt like a force and energy above everyone, bigger than everyone was pulling them towards heaven, but everyone going was happy and in peace.*

*I was happy as I was going within the whirlwind and was happier when I reached the hands of Jesus. This was not the first time I am seeing Jesus, but this felt so different. Surely, every encounter with Jesus is unique, and truly speaking, I never wanted to come back and I don't even know I will be back on the earth.*

*Surely the time is at hand, let everyone be prepared to meet Yeshua. It doesn't have to be on a special day, whether you believe in the rapture or not, dead or resurrection, heaven or hell, transformation or immortality, that is not important. What is more important is, do you truly have eternal life? because one day your end will come and you will be face to face with the source of life.*

*Thank you Jesus for loving me so much and I will forever love you more. All I ask is for you to keep helping me daily by revealing to me your love.*

*Blessed are those who are dead in Christ for they have found rest and woe to them who are living in sin for they should seek mercy. Have mercy upon us oh God of our salvation.*

*Even so, come Yeshua come.*

May God help us all.

Get involved, Get engage. The master called unto you.

Cheers.

Godspeed.

Much love.
